

VIP Donor's Club

Feeding Dreams has launched its **VIP Donor's Club**. This Club will specifically honour and recognize those humanitarians that understand there is only one way Cambodian children will climb out of the dark depths of poverty, sickness, malnutrition, suffering and exploitation, and that is with basic **Education, Nutrition and Life Skills**.

It is imperative our Education Program is unwavering, and therefore, we are inviting all caring friends, families, schools, businesses and like, to choose one of your favourite teachers, cooks, cleaners, or Community Support Workers, and commit to supporting their salary for a period of 12 months to ensure the longevity of this vital program.

We shall proudly display your name and hyper-link, family or business name on our website, facebook and Newsletter regularly. **You and your immediate family will also be entitled to Free Volunteer experiences with Feeding Dreams Cambodia annually. All Donations are TAX DEDUCTIBLE.**

Whilst we greatly value all support for different areas of our Centre, and Community Support for our very needy families, without our CORE programs, children and families will remain locked into the repetitive cycle of despair their parents or carers have experienced.

Each staff member listed below plays a crucial role in the overall operations of our Centre, and they too are from very poor families and have overcome all odds to be where they are today. Without them, there is no feeding of Dreams for Cambodian children and families. They too need to feel appreciated. Feel free to email Kerry@feedingdreamscambodia.org for payment options.
